A new era begins in the 2006-07 season with the Madonna women's basketball team as Carl Graves assumes the head coaching duties for his first season at the helm of a collegiate program.

Graves will have the opportunity to begin rebuilding a Crusaders' squad that lost eight players, including one of the most dominant post players in the Wolverine-Hoosier Athletic Conference over the past few years in Sarah Thomson.

The 2005-06 squad finished with a 14-17 overall mark and advanced to the WHAC tournament semifinals before falling to top-seeded Aquinas 55-43.

Martina Franklin

FRONTCOURT

Graves didn't exactly take over a team with a completely bare cupboard. The Crusaders return Martina Franklin (5-10, F, Redford, MI/Redford Union HS) at the post position after she garnered second team All-WHAC honors during her sophomore campaign, while averaging 10.3 points and 6.8 rebounds per game. Franklin should see both her scoring and rebounding numbers increase this season and will be looked to as the Crusaders top option on offense.

Sophomore Christie Carrico (5-9, F, Waterford, MI/Waterford Mott HS) will contribute this season at the small forward position. Carrico averaged 2.7 points per game in her freshman season, yet she can

create match-up problems for other forwards with her quickness and ability to shoot around the perimeter.

Junior Caryn Inman (6-1, F, Oxford, MI/Oxford HS) will complete the true double-double for the second straight season after competing in both volleyball and basketball for the Crusaders. Inman is more suited to a guard position with her ball handling and shooting skills, yet may be called upon to move her game inside due to the lack of height on this year's roster. Inman native averaged 4.3 points and 4.3 rebounds per game last season.

Freshman Alison Grant (5-8, F, Carleton, MI/Airport HS) may also see action at the forward position.

both could run the new MU offense this season. Crawford has shown the ability to push the offense in transition during pre-season practices. Ruffli was OCC's leading scorer last season, averaging 10.4 points per game.

Sophomore Alyssa Guerin (5-9, G, Plymouth, MI/Plymouth Salem HS) can play both the shooting guard and small forward spots for the Crusaders. Guerin led the team in free throw shooting percentage (.767) and averaged 2.3 points per game as a freshman.

Sharp shooting freshman Stephanie Piotrowski (5-6, G, Petersburg, MI/Ida HS) will compete for immediate playing time and can be a deep threat for Madonna from beyond the arc.

Junior transfer Luhnna Waybrant (5-6, G, Ortonville, MI/Brandon HS) joins the Crusaders after spending the last two seasons as a teammate of Ruffli at Oakland Community College. Waybrant adds depth to the Crusaders backcourt as a three-point shooting threat. A year ago, she averaged 3.8 points per game at OCC.

Lindsay Klemmer

BACKCOURT

Senior point guard Lindsay Klemmer (5-6, G, Plymouth, MI/Canton HS) returns as the most experienced backcourt player on the roster. Klemmer averaged 7.0 points and 2.2 assists per game last season.

Junior transfers Cali Crawford (5-2, G, Rochester, MI/Oakland Christian Academy), transferred from WHAC foe Cornerstone University, and Rebecca Ruffli (5-6, G, Fenton, MI/Linden HS), who played junior college ball at Oakland Community College,
