[What's this?](#)

With an eye toward the future, we thought we'd try something new this year. We've posted extended bios on each scholar athlete. We invite you to explore our database and view in color each of the more than 500 scholar athletes, who were nominated by their schools' principals and athletic directors. You can search by city, school, name, GPA or college. And you can make as many color prints as you like. Or, even better, email the link to your family and friends all around the world.
